NATIONAL ANTHEMS

THE STAR-SPANGLED BANNER

Oh, say can you see by the dawn's early light
What so proudly we hailed at the twilight's last gleaming?
Whose broad stripes and bright stars thru the perilous fight,
O'er the ramparts we watched were so gallantly streaming?
And the rocket's red glare, the bombs bursting in air,
Gave proof through the night that our flag was still there.
Oh, say does that star-spangled banner yet wave
O'er the land of the free and the home of the brave?

○ CANADA

○ Canada!
Our home and native land!
True patriot love in all thy sons command.
With glowing hearts we see thee rise,
The True North strong and free!
From far and wide,
○ Canada, we stand on guard for thee.
God keep our land glorious and free!
○ Canada, we stand on guard for thee.
○ Canada, we stand on guard for thee.

WELCOME TO NASHVILLE

When we last met in Nashville in 2008, we had just relocated our headquarters here. This was a visionary moment, a 50-year decision to help expand our recognition in the music industry, among music educators, and the broad music public.

Today, in 2016, our convention reflects those dreams. This will be the **most inclusive, most expansive event** we've ever held, with a mission to involve the community in new ways and establish our presence as a musical and philanthropic force in Music City USA.

We're doing new things to make our hometown appreciate our depth and breadth, like the **Great Northern Union Chorus** coming to town for the sole purpose of performing a series of **free community concerts**, no strings attached. Adding a second night for the AIC show and placing it in the region's premier performance hall places us on a new footing in the arts community.

Welcome to the HOME for Barbershop Harmony! Linda and I welcome you and look forward to meeting new friends, greeting old ones, and having everyone enjoy the sights and sounds of the convention in our HQ city!

Once again, there are activities for everyone to enjoy. The YBQC will kick off a week's worth of world-class competitions on Tuesday and continue throughout the week, bringing youth quartets, quartets, and choruses from all over the world across the performance stage.

The always-popular AIC Show expands this year with two performances taking place in the gorgeous Schermerhorn Symphony Center. The show will not only leverage the amazing venue, but through its marketing channels it will bring in a new audience of Nashvillians to experience Barbershop, perhaps for the first time. Add to this the World Harmony Jamboree,

Our Saturday capstone event, **A Better World Singing Day**, will welcome thousands of Nashvillians to sing with us -- at the Gospel Sing, at the MegaSing, and as part of the Saturday Night Spectacular. The Spectacular, too, will be more expansive than ever, with co-hosts **ACDA Executive Director Dr. Tim Sharp and aca-godfather Deke Sharon** joining me to share the mutual vision of **A Better World Singing**, crowned by special performances by **Crossroads** and Grammy winners **The Fairfield Four**.

As always, whenever we stretch ourselves to try new things, we are thankful to our generous donors through Harmony Foundation International for underwriting innovation and outreach at our events.

More people singing together sounds like an environment in which the Barbershop Harmony Society can thrive for the next eight decades. Live it -- sing every chance you get!

Marty Monson
CEO/Executive Director

MEGASing, and HU Classes and it becomes clear that sleep may just not be an option. But, as always, singing in the hotel lobbies is.

Cheer for everyone that will cross the stage. Cheer even louder for your favorites. Meet other singers. Learn tags. Learn chapter-support activities. Get new ideas and bring them back home. **SHARE YOUR MUSIC!** Share these new ideas with those Joe Barbershoppers who were not able to attend Nashville. Start your 2017 planning now for Midwinter in San Antonio and International in Las Vegas!

I invite you to find me and share with me how singing has changed your life. Let's share ideas how we can help bring the JOY of music to our communities. Enjoy Nashville, and again, **SHARE YOUR MUSIC!**

Don Fuson
2016 Society President

YOUR GIFTS *make a difference*

"They're not just some group at this school. They're almost like the star football team... when they come out and the audience cheers, it's like they're in the playoffs."

~JOHN WERNEGA, DIRECTOR, WILDCAT HARMONIZERS

The eight members of the Wildcat Harmonizers from Quinton Township, New Jersey have found their place at Quinton Township Middle School, and in January, they performed their way into the hearts of thousands at the Youth Chorus Festival. The group walked away with the title of Audience Favorite.

"It has always made me feel good when I feel sad," said Seven (pictured, second from left), a rising fourth grader who performs with the group.

Gifts to Harmony Foundation International make it possible for choruses such as the Wildcat Harmonizers to experience performance and competition, learn from others, and take their talents to the world.

Give now.

DETERMINING RELATIVE RANK

Music

Judges in this category adjudicate the musical elements in the performance: melody, harmony, range, and tessitura; tempo and rhythm and meter; construction and form; and embellishments. They judge the extent to which the musical performance displays the hallmarks of the barbershop style, and the degree to which the musical performance demonstrates an artistic sensitivity to the music's primary theme.

Presentation

These judges evaluate how effectively a performer brings the song to life. They respond to both the visual and vocal aspects of the presentation, and evaluate the interaction of these aspects in creating the image of the song, as well as everything about the performance that contributes to emotional impact upon the audience.

Singing

Judges in this category evaluate the degree to which the performer achieves artistic singing in the barbershop style: the production of vibrant, rich, resonant, technically accurate, and highly skilled sound, created both by the individual singer's use of good vocal techniques, and by the ensemble's process of tuning, balancing, unity of sound, and precision. They listen for a sense of precise intonation, a feeling of fullness or expansion of sound, a perception of a high degree of vocal skill, a high level of unity and consistency throughout the performance, and a freedom from apparent effort that allows the full communication of the lyric and song.

Each judge may award up to 100 points per song.

This is in addition to one for Album of the Year as part of the soundtrack for the 2000 film *O Brother, Where Art Thou?*

What this collaboration means...

Crossroads and The Fairfield Four have appeared together at many education events, exploring the heritage that barbershop and gospel share in the African-American music of the late 19th century. Tonight, they explore musical history, trade riffs, and share the rich vein of friendship built through vocal harmony.

BARBERSHOP HARMONY SOCIETY **HALL OF FAME CLASS OF 2016**

Honoring a lifetime of landmark achievement and constant devotion to the spread and perpetuation of barbershop harmony

JOHN DOUGLAS MILLER

Perhaps there is no one who has given so much of himself to the art form of barbershop as John Miller. Not only has he lent his heart to excellent performance, but his devotion to advancing the mission and spreading the spirit of barbershop harmony is evident in every aspect of his life.

An undeniable talent, John won two quartet gold medals singing bass: with Grandma's Boys in 1979 and with The New Tradition in 1985. Particularly notable was his comedic role as Groucho in the Marx Brothers set in the 1985 finals. The performance was unforgettable to the audience, and it added a new dimension to quartet comedy on the contest stage.

However, John's leadership and selflessness are really the hallmarks of his lifelong dedication to the Barbershop Harmony Society. He has not only served on the Society Board and led a number of committees over the years, but he has used his influence as a national media executive to gain unprecedented exposure for the experience of barbershop. Placements on the Comcast Channel and The Today Show piped harmony into the homes of millions and raised awareness of the joy of singing.

Along with wife Sharon, John transformed his simple hobby into a family activity. Two of their sons have performed in medalist choruses and have made careers of the arts. Together, the Millers have become lead donors and active advocates for the Harmony Foundation with sponsorships, leadership positions and innovative funding efforts.

49 years as a Society member. 45 conventions. A life of singing, sharing, shaping and encouraging. The Barbershop Harmony Society is honored to include John Miller in its Hall of Fame.

HALL OF FAME CLASS OF 2016 (CONTINUED...)

THE FOUR RENEGADES

The Four Renegades quartet, International Champions of 1965, consisted of Warren "Buzz" Haeger, tenor, Ben Williams, lead, Jim Foley, baritone, and Tom Felgen, bass. The quartet was organized late in 1956 and placed 10th at their first International Contest in 1957. They continued to fare well with their original lead, Joe Sullivan, through a third place finish in 1962 and a fourth place finish in 1963, after which Joe stepped down and Ben came on board for a second place finish in 1964. The Four Renegades won the gold in Boston the following year.

They proved to be one of the most popular champions of all time as they entertained throughout the barbershop world with wonderful tunes such as "Mr. Bassman" and "They Were All Out of Step But Jim". Barbershoppers still sing the tag they made famous: Last Night Was the End of the World. Jim Foley had the audience in stitches with stories about his wife's cooking. But in addition to great humor, they could tug on the heart strings with such tunes as "The Boy I Used to Be" and "Lost in the Stars". They recorded two albums which became classics. They left a lasting legacy of songs still sung today. They were truly among the greatest of BHS quartet champions.

We are proud to honor The Four Renegades by inducting them into the Barbershop Harmony Society's Hall of Fame.

The singing order for the QUARTET FINALS will be announced immediately following the Hall of Fame presentations.

Congratulations to the **Chord Busters** on the
75th Anniversary of their 1941 Gold Medal.

Doc Enmeier (Tenor), Bob Holbrook (Lead), Tom Masengale (Bass), Bobby Greer (Bari)
