# Welcome to the 2016 Midwinter Convention

Welcome to Reno and welcome to the annual gathering of Barbershop family and friends at the 2016 Midwinter Convention!

This city has an enormous amount to offer us during our stay to complement an expanded schedule of shows and festival singing.

We welcome the youth choruses that have scratched and clawed their way to Reno and have spent a huge amount of energy to set aside the time and get financials in place. They have also worked on their singing, of course, in order to share some harmonies with us here. The word in the halls is that they all have even learned brand new tags (some they've even written) and want to share those. What would they like in return? They want to meet and talk to YOU about your past Barbershop experiences and how you want to SHARE Barbershop in YOUR OWN future. Oh, and teaching your favorite tag, arrangement, or Barberpole Cat would be an additional gift to share as well!

The seniors quartets are here in force, so don't miss the Seniors Quartet Contest on Saturday. When I hear the seniors quartet barbershoppers and the youth festival attendees share their music with one another on stage and in the lobbies, I am constantly amazed at how music transcends all age barriers. It's simply magical how singers can perform, reach out, and engage any listener of any age in any story that is told through song. It's a powerful thing.

Don't forget that our hotel/casino offers a great variety of food choices and other entertainment, but keep the smoking to the designated areas or else I'll cough in the middle of that fabulous baritone post. Western history is all around us in museums near downtown. The gold rush of the 1840s made Reno the "last" developed spot on the map where people could get supplies they needed for the hard trek up and over the mountains as they sought their fame and fortune by going west.

May you find fame and fortune this week through the joy of singing! Our hope is that everyone revels in the gift of music and shares their songs while in Reno. Let's also celebrate some of the performers getting their just rewards on stage. Everyone is a winner!

If you see me, please come and say hi. And don't forget to SHARE YOUR MUSIC in Reno!

Don and Linda Fuson

*Wishing you a GREAT START in 2016 with the

## Westminster Chorus

*2015 International Chorus Champion*

[www.westminsterchorus.org](http://www.westminsterchorus.org)

Enough cannot be said about the incredible **Westminster Chorus** from Westminster, CA. In addition to being a three-time International Chorus Champion (2007, 2010, and 2015), the chorus is also the 2009 'Choir of the World' Pavatotti Trophy winner, proving to the world that Barbershop as a choral artform can stand toe to toe with any artform in the world.

Westminster Chorus is with us in Reno to give unforgettable performances, share the stage with the **All-Chapter Chorus**, engage with the **Youth Chorus Festival** participants, and even take time out of their busy schedule to do an educational outreach tour. The men of Westminster Chorus are true champions, indeed.

**Deke Sharon**  
*The Father of  
Modern A Cappella*  
[www.dekesharon.com](http://www.dekesharon.com)

Thanks to *Glee*, *Pitch Perfect*, and *The Sing-Off*, we're in a golden age for a cappella in media, and *Lifetime* is about to give us even more aca-awesome performances with their new show, *Pitch Slapped*.

The docuseries will pit two rival New Jersey high school a cappella teams against each other, each under the mentorship of a superstar in the a cappella world.

The mentors will be **Deke Sharon**, the producer of *The Sing-Off* and music director and arranger for the *Pitch Perfect* films, and **Diana Preisler**, a Broadway veteran and the manager and lead singer for the a cappella group *Blue Jupiter*. Sharon will work with the group **Stay Tuned** from Cherry Hill, while Preisler will mentor **The Voices** from Allendale.

We're extremely excited that Deke is with us this week in Reno working with singers and emceeding the **Youth Chorus Festival**. Also, Deke will be leading a class called "How to make Barbershop music go viral" this Saturday at 10 a.m. in Naples that you do not want to miss!.

# Harmony University Class Information

## Classes located in Sorrento 4:

**"Great Basin Songs & Dances" The Washoe People** (Thursday, 6 p.m. - 6:50 p.m.)  
*Washoe elders*

Washoe people have lived here in the great basin area of Reno and the eastern Sierra Nevada mountains for at least the last 6,000 years...six THOUSAND. Come learn about the culture, music, unique language, and traditions of the people here in Reno.

**"Old and Wise" Now ... but "Young and Crazy" then!** (Friday, 9 a.m. - 9:50 a.m.)  
*Bobby Gray Jr., Allen Gasper, Brian Beck, and Tom Wilkie*

Get a behind the scenes look at the life and times of a top quartet by spending an hour with 2015 Senior champs Saturday Evening Post. This is not your typical quartet. With two quartet gold medalists, several years in the top 10, and a lion in their midst, these guys have performed in almost every domestic and foreign barbershop venue there is. Learn about the glamour, stories of the road (The highs! The lows!), rehearsal techniques, song selection, coaching, how to program, and what it takes to put on an entertaining show. They didn't get to be "Old and Wise" without first being "Young and Crazy", so get ready for a great time!

## Classes located in Naples:

**Gold Medal Hour with Instant Classic** (Saturday, 9 a.m. - 9:50 a.m.)

*David Zimmerman, Theo Hicks, Kohl Kitzmiller, and Kyle Kitzmiller*

The road to gold for this young group is filled with family, hard work, and a willingness to change. Spend some time with David, Theo, and brothers Kohl and Kyle as they talk about their journey, as well as all the little things you can do with your quartet to grow to your potential.

**How to make Barbershop music go viral!** (Saturday, 10 a.m. - 10:50 a.m.)

*Deke Sharon*

Why did a barbershop quartet on an airplane get millions of hits online, while almost all of our competition videos get only a few looks? How did Main Street end up on the top five Reddit videos list? Deke Sharon has a few ideas about that, and about how to fill the internet with a cappella music. Learn from the producer of *Pitch Perfect* and *The Sing Off* how to get barbershop to millions of new viewers worldwide!

**What's so special about Barbershop?** (Saturday, 11 a.m. - 11:50 a.m.)

*Dr. David Wright*

Learn about barbershop harmony and the hallmarks that make our style so unique. It's more than a time period, homophonic four-part chords, or an arranging style. Dr. David Wright will share vintage and modern recordings and even have us sing to demonstrate. Be ready to ring some chords.

## All-Chapter Chorus Thursday - Saturday Located in Naples 4-5:

**All-Chapter Chorus rehearsal #1** (Thursday, 10:30 p.m. - midnight)

*Donny Rose and Justin Miller, instructors*

Our 100-man chorus will begin full runs of our three All-Chapter songs, will work on challenging spots in isolation, and enjoy some fellowship. Please bring your music to check every now and then. The Westminster men will join us AFTER they finish their sound check on stage.

**All-Chapter Chorus rehearsal #2** (Friday, 10:30 p.m. - midnight)

*Justin Miller, instructor*

Our 100-man chorus will dive deeper into finding that "Westminster" sound, as well as get more comfortable with our new director.

**All-Chapter Chorus rehearsal #3** (Saturday, 6 p.m. - 7:30 p.m.)

*Justin Miller, instructor*

Our 100-man chorus will have our final rehearsal two hours before the show. Wear your white shirt and black pants to rehearsal. No music on the risers, please.

### **Vintage Mix**

*Quartet of Quadruplets Extraordinaire*

[www.vintagemixquartet.com](http://www.vintagemixquartet.com)

These fantastic young singers aren't kidding when they say harmony runs in the family. Quadruplets (that's right... quadruplets) Ian, Kelsey, Anika, and Julia make up the members of **Vintage Mix**. Hailing from Milwaukee, their musical journey started with "The Sound of Music" sung at a local talent show. It was then and there that they realized that there was something "special in the mix." We're fortunate to have them be a part of our incredible lineup in Reno!

### Main Street

2015 Third Place Bronze Medalist

[www.mainstreetqt.com](http://www.mainstreetqt.com)

**Main Street** has once again proven to be among the most elite barbershop quartets in the world with its unique style of song, dance, and humor. But this year in particular, Main Street struck a powerful pop culture nerve with its performance of *Pop Songs Medley* that went viral when the video was released on YouTube. It seems that many around the world quickly learned what many Barbershoppers already knew: Main Street is amazing.

**Roger Ross**, Tenor  
**Tony DeRosa**, Lead  
**Mike McGee**, Baritone  
**Myron Whittlesey**, Bass

# THANK YOU

*for making a difference*

Last year, four young men from Harlem—Richard, Shawn, Nick and Denzel (above)—were the first to represent their school at the 2015 Midwinter Convention in New Orleans. Instructor Douglas Carnes (inset) introduced barbershop to the school's curriculum through programs offered by the Barbershop Harmony Society.

*“From the day I started integrating barbershop into my classroom, the kids’ lives changed.”*

Those are the words of Douglas Carnes, an instructor at Harlem’s Democracy Prep Middle School in 2015.

Carnes witnessed academic and behavioral achievements for his middle schoolers that were unprecedented. All their hard work culminated with a trip to New Orleans for the 2015 Midwinter Convention.

*“I wouldn’t have been able to do it without Harmony Foundation,” he said.*
