

EZDues Payment Plan

explanation • installation • how to get started!

How the plan works:

Mr. Joe Barbershop has decided to join the Barbershop Harmony Society. He is now interested in the EZ Dues Payment Plan, and would like to sign up. OK, LET'S DO IT!

FIRST STEP:

The first month that Joe joins, he pays the new member or reinstatement fee of \$10, plus he pays for his first membership year at **HALF THE PRICE**.* (Yep. You read that right.) The first month he pays his fee and Society and district dues ** at half the cost of a **regular priced** membership and that sets him up for the entire year.

SECOND STEP:

The very next month, Joe starts paying monthly towards his second year of membership. On the EZDues plan, you are paying toward the future year of membership so you are ALWAYS up-to-date with your membership dues!

THIRD STEP:

On Joe's first year anniversary, he is automatically renewed, and he starts paying monthly towards his next year of membership.

**Half the price for the first membership year is granted with the understanding that the member will remain on EZ Dues to cover the cost of at least one full year. If the member chooses to leave EZ Dues or membership, all collected funds will be applied to the cost of a full priced first membership year. Reinstating members are only eligible for half price if they have been out for longer than two years.*

***Although we strongly encourage chapters to offer the half price discount for the first year, chapter dues are always left up to the discretion of the chapter board of directors*

When should I expect the money to be withdrawn from my account?

Withdrawals are taken at the end of each month.
