Society Contest Rules

In order to be consistent with current practice, G&B recommended to the Board that Society Contest Rules, Article IV.B.3 (Contest Judges: Appointment of International Panels) be amended as follows (additional language underlined):
3. International Contests with Quintuple Panel

Five judges per scoring category shall be used in the international quartet and chorus contests. In addition, those international panels shall have one contest administrator and two associate contest administrators.

The Society Contest and Judging Committee chairman will serve as panel chairman for international quartet and chorus contests unless he is unavailable for any reason and, in that case, the Committee immediate past chairman will serve as panel chairman for any session(s) in which the Committee chairman is unavailable.
